

Adjustable nose piece

**LENS** Clear 2.0 Diopter Bifocal Reader Style

**FRAME** Matte Black

## DESCRIPTION

Bifocal reader style lenses feature a magnification diopter positioned at the bottom inside of the lens. This improves workplace safety by eliminating the need to switch between safety and reading glasses. In addition to lens correction, Swordfish<sup>®</sup> Readers safety glasses also feature an adjustable nose piece for increased comfort.

## TECHNOLOGY

All Bullhead Safety<sup>®</sup> Eyewear is made from 100% virgin materials. This style features lenses and frames constructed with the highest quality polycarbonate.
