

**LENS** Blue Mirror Anti-Fog

**FRAME** Crystal Clear

## DESCRIPTION

A trim-fit alternative to the Swordfish® style, the Swordfish®X fits faces with a smaller profile while retaining the maximum protection available in 9.5 base curve lenses. This style also features adjustable nose pads for a custom fit. Each dozen is packaged in a retail-ready box.

## FEATURES

- AF - Anti-Fog lens: FSI brand hydrophobic anti-fog lens treatment greatly reduces fog in hot, humid, and variable temperature environments
- Precision lenses block blue rays, which reduces eyestrain, increases visual acuity, and protects from the long-term effects of blue light exposure.
- Trim-fit style for smaller profiles
- Adjustable nose pads for a customized fit
- Meets ANSI/ISEA Z87.1-2020 standards

## TECHNOLOGY

All Bullhead Safety® Eyewear is made from 100% virgin materials. This style features lenses and frames constructed with the highest quality polycarbonate.
