

BULLHEAD SAFETY™ WINTER LINERS

High-Visibility Yellow/Green, Shoulder-Length, Multifunctional, Hinged Thermal Balaclava

ITEM WL310-YG

DESCRIPTION

This shoulder length high-visibility yellow/green thermal balaclava is made from soft 250g/m² fleece material and features a silver reflective accent logo. The hinged design allows these balaclavas to be worn in several different ways. The design provides comfort and warmth when worn either alone or under a helmet. The mouth panel is constructed from breathable mesh which helps prevent eyewear from fogging and allows increased airflow. One size fits all.

Each item is individually packaged in a polybag for retail sale.
